A War Message to the Church People of the Diocese of Pennsylvania

From every Parish in this Diocese our sons and brothers have answered the call to colors with patriotic fervor, manly resolution and high ideals. They have left their Church homes and into the turmoil and stress of their new and difficult life, their Church must follow them. We have made a beginning, but only a beginning. They need the spiritual ministrations and personal influence of the Church as never before in order that they may meet the complex temptations which assail them and constantly renew their spiritual strength. We pray for them at home. Let us pray *with* them in the field. This means sending the Church in the person of its clergy and trained workers, men and women. To do this, to have our clergy and other workers in their camps, we need $150,000. Now is the time to act, tomorrow will be too late. You have loyally met the calls of the Red Cross and both of the Liberty Loans. We do not ask for millions or billions but for a few thousands of dollars to carry on this work.

Let us do good to all men, especially to those who are of the Household of Faith.

THE WAR COMMISSION OF
THE DIOCESE OF PENNSYLVANIA.

Note to the Clergy:

You will receive full information this coming week as to how we can help you with speakers. **Will you read the above at all services this Sunday (October 28th) and post a copy in the vestibule of your Church.**
